for Families to have  
Permanent Affordable  
Rental Homes**

*Your support can, too!*

- In the Washington Metropolitan Area, homelessness has increased 10% since 2007.
- The primary cause of homelessness is a lack of affordable housing.

Today's **financial crisis** makes it difficult for **working families** to pay their bills. Many have lost their homes and their jobs and struggle to feed their families. Help low- and moderate-income persons by providing affordable housing and resident services to working families and individuals with special needs. **Your support** helps **people in need** living in our community.
